

The secret of the Benjamin Franklin effect is this: If you want people to like you, ask them to do favors for you.								
Luxury High Political Figure Rudy Xia Xia								
Shoot with Stevan and Fritz Marry the princess								
Ignite your divinity - higher purpose/higher self								
Look like the coffee shot								
Constant access to Alpha Brain Waves Feeling State not Thinking State Love and Gratitude Unconditional Love								
Reducing your defenses - Speed up the bonding								
Microskill Go way and beyond normal Normal is too low optimize everything								
I want to be more grounded- radiate health, growth and vitality								
Don't lose the magic								
Choose Peace & Harmony								
Tame your ego								
The sun doesn't measure its worth by the amount of shadow it casts								
Compare yourself to yesterday								
In company, Love fully, dare I say blindly								
There's a stagnation cost - a risk to continue what you are currently doing The cost of staying								
Focus on the day								
Be more in love with what you don't know								
Take 360 Videos and Photos/phone								
Remember the end goal, you are building a city, an army, a kingdom								
Conquer yourself, then you'll conquer all								
Study and understand people Recognize motivations								
Failure wouldn't visit you unless there was room for it in your making								
Power is Godlike - Practice Patience See several steps in the future, the grass will grow again								
Judge not or Judge less, catch yourself								
Serve- that's your duty. Everyday ask yourself how can you serve								
The best you can do is love without expecting anything else. Just give and don't judge. The greatest gift is understanding without casting your own judgement								
I cannot fail, I can do all things through Him who strengthens me								
At the end of the week/ type up all your notes in seperate categories								
Make yourself larger - Serve something other than yourself								
You love power, regain power by controlling yourself - master discipline								
Be smarter - think smarter sharper and faster akin to a computer/artificial intelligence								
USP: Charm, unique way of thinking, leadership, elegance								
Time makes more converts than reason								
Visualize every morning with slideshow								
Drink more h2o								
Self Care - Put Life Back in Order								
Retainers, eyecream, sunscreen, moisturize, meditate, create weight training and running plans								
	Thu 9	Tasks	Fri 10	Tasks	Sat 11	Tasks	Sun 12	Tasks
Wake		Clean room & bathroom		Foam Roll

What you hope								
Lessons								
Tomorrow								
Bedtime								
Grade								
Notes		Today [4]						

[1] A. The bright authentic innocent like energy of two of my customers

[2] A. My energy level was so low. I need to get to bed earlier. Foam Roll more, just more maintenance and stretching for sure

[3] A. My parents, the hideout, Erik, my staff, Poli and Caro

[4] Today's objective, drink lots of h20 throughout the day and full clean room to your manifesto
